This is the compelling account of a young man who enlisted in the Foreign Legion. His trials and adventures take place in Algeria in the early 60s when France was reluctantly and painfully loosening its grip on this hot spot. The book is actually a diary which the author faithfully maintained over his five grueling years in the Legion.

The Legionnaires featured in "Five Years Later" were unrecognizable from their previous incarnations. Sourced by their circumstances or surrounding events, each issue felt more like a therapy session than a story about futuristic superheroes. The most changed was Jo Nah, formerly known as Ultra Boy.
