A pacing guide is used to pace out a certain period of time, and to identify standards or units to be taught during that time. Personally, I prefer to use big ideas/units on my pacing guide, but it's a personal preference. Pacing guides are also a great way to make sure grade level teams are about on the same page.

Homeschool Pacing Guide Template: Planning Your Own Course of Study. I have created the next installment of my free homeschool planner system: a HUGE set of pacing guides (a.k.a. course of study). These are blank forms that you can use to plan out a week, month, or year in advance. Many homeschool parents use pacing guides to create a general overview of how their week, month, or year will go.
