~~Life Lessons (Life Lessons, #1) by Kaje Harper~~

I love Kaje Harper she takes ordinary people and lives and writes about them beautifully. This is the first book in the Life Lessons series and the MC Tony is leaving work when a dead body falls through the lift doors. The other MC is Mac a homicide detective who is called out to investigate the murder. I liked both elements of this book.

~~Life Lessons By Kaje Harper - bisaple.tesseractpdpu.org~~
In this final installment of Kaje Harper's Life Lessons series, it's
hard to remember there was ever a point in time when Mac was
deeply closeted, Tony was so in love, he was (unhappily) willing to
live there with him, they weren't married, they weren't parents, and
their future as a couple was fragile and tenuous.

~~Life Lessons #1.5 | kaje harper~~

In "Learning Curve," book four of the "Life Lessons" series by Kaje Harper, we seem to have hit the penultimate moment in the history of Tony Hart and Jared MacLean. I don't think it's the end - I really see one more book here - a few of the loose ends yet to be tied off. And I think Josh Lanyon has gotten a run for his money in Kaje Harper's latest.
