Projects it0;s divided into two books with a clear difference. The first gathers images designed to walk freely by the author0;s eternal dreams around the fantasy and the female world, while the second collect specific work done to carry out a project or be the cover of a product or a book. The free path of these pages is flooded by the female figure. The protagonist, the "goddess". In all his career is a constant. The Ice Dragon is an enchanting tale of courage and sacrifice for young readers and adults by the wildly popular author of the #1 New York Times bestselling Song of Ice and Fire series, George R.R. Martin. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon. In the world of A Song of Ice and Fire the ice dragon was a creature of legend and fear, for no man had ever tamed one. When it flew overhead, it left in its wake desolate cold and frozen land. But Adara was not afraid. For Adara was a winter child, born during the worst freeze that anyone, even the Old Ones, could remember. Adara could not remember the first time she had seen the ice dragon. It seemed that it had always been in her life, glimpsed from afar as she played in the frigid snow long after the other children had fled the cold. In her fourth year she touched it, and in her fifth year she rode upon its broad, chilled back for the first time. Then, in her seventh year, on a calm summer day, fiery dragons from the North swooped down upon the peaceful farm that was Adara's home. And only a winter child—and the ice dragon who loved her—could save her world from utter destruction. This new edition of The Ice Dragon is sure to become a collector's item for fans of HBO's megahit Game of Thrones. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

- This final edition in Luis Royo's Conceptions series is dedicated to the feminine figure.

- Luis Royo was commissioned by Muscovite to paint the ceiling of his luxurious new castle. The results: a ton of life-size women! The owner has graciously allowed this masterpiece to be shown to the outside world in this collection.

- The third volume of the Prohibited book saga, which completes the trilogy, contains a sensational illustrated story full of eroticism written by Luis Royo.
