Are the Maoists Rising Again in Nepal? □

The Diplomat

In less than ten years, the Maoist insurgency has transformed Nepal. The Communist Party of Nepal (Maoist) has spread armed conflict across the country and reshaped its political environment irrevocably. But their political aims are still questioned, and not enough is known about their structure and strategy.

In retrospect, the Maoist insurgency has been expanding and escalating on three major grounds. First, the left or progressive ideology and identity - monopolized by communist parties of Nepal - is popular among the people of Nepal. To be left or communist, in Nepali understanding, means to speak for "gans, bas, kapas" (food, shelter and cloth) for
