At Tri-City Middle School, half of the 472 enrolled students are taking algebra. One-fifth of the students not taking algebra are taking geometry, and each of the remaining students is taking pre-algebra. How many students enrolled at Tri-City Middle School are taking pre-algebra? Express your answer to the nearest whole number.

The MATHCOUNTS Club Program (MCP) is designed to increase enthusiasm for math by encouraging the formation within schools of math clubs that conduct meetings that are fun and include a variety of math activities. The resources provided through the MCP are also a great supplement for classroom teaching.
