Europe Economy

The summer of 2022 was the hottest in Europe's recorded history, with the continent suffering blistering heatwaves and the worst drought in centuries, the European Commission's satellite monitor ...

2022 Europe's hottest summer on record: EU monitor

2. Margin Calls Becoming the Bogeyman of Europe - The pains of European trading companies have started to come to the surface with the past couple of days seeing a string of additional credit ...

Power Shortages Loom Over Europe

Europe's summer of drought has been impossible to ignore. Rivers dried up, exposing the skeletons of warships and ancient buildings. Images captured by satellite show swathes of the continent ...

Europe's Drought Might Force Acceptance of Gene-Edited Crops

This and other statements suggest that Europe is refusing to buy. If the Europeans were willing to buy, would the Russians be willing to sell? At the beginning of the crisis, when the West was ...

Europe's Energy Disaster

This is the weather forecast for Europe. The amount of water vapour in the atmosphere plays a crucial part in how easily our bodies can cool down. Heatwaves and drought drove record heat across ...

Europe weather forecast

The energy crunch in Europe escalated into a full-blown crisis this past week after Vladimir Putin cut off the pipeline that supplies a third of the natural gas that Russia sends to Europe.

How Europe's Energy Crisis Could Play Out

Europe has been plagued for months by extreme heat, drought and wildfires, with many cities experiencing unprecedented temperatures and conditions. A new report from Copernicus, Europe's climate ...

This year's blistering summer in Europe was the hottest on record

Russia has retaliated with a de facto embargo on exports of natural gas to Europe. This shows how Vladimir Putin actually thinks the war is going. After all, this will have huge long-run costs ...

Wartime Economics Comes to Europe

Climate change, environmental and animal welfare policies, aging farmers: Europe's agriculture is facing enormous challenges, which vary diametrically depending on the region. Where will farming ...
