The 19th Edition builds upon the tradition of leadership by sticking to 3 main goals: Help the beginning student master the
principles essential for understanding the economizing problem, specific economic issues, and the policy alternatives; help the
student understand and apply the economic perspective and reason accurately and objectively about economic matters; and
promote a lasting student interest in economics and the economy.

The 19th edition brought adaptive technology to market for the first time with LearnSmart, a resource that ensures that every minute a student spends in their studies is the most efficient and productive time.

Economics mcconnell 20th edition

Economics is associated with the optimal choices in the conditions of scarcity. This is true when the resources are limited in comparison to their availability. While making choices the concept of opportunity cost is essential, since it helps in deciding the value of the good produced by using the given resources.
