Christianity in Latin America provides a complete overview of over 500 years of the history of Christianity in the 'New World'. The inclusion of German research in this book is an important asset to the Anglo-American research area, in disclosing information that was hitherto not available in English. This work will present the reader with a very good survey into the history of Christianity on the South American continent, based on a tremendous breadth of literature.

This book is an E-class buyer's guide, maintenance handbook and technical reference source all wrapped into one. It is full of tech tips, service hints and system descriptions, plus lots of insightful information about the W124 E-Class chassis. This 'E-Class Owner's Bible can help steer you through the purchase of your first Mercedes-Benz, provide the information necessary to maintain your E-Class to factory standards, give you the assurance to speak knowledgeably to your service professional and provide you with the hot setup for better road handling. The prospective buyer will also find tips on what to watch out for, why a pre-purchase inspection is important and why one model may be preferred to another. Do-it-Yourself owners will discover a huge hands-on maintenance chapter to help keep their E-Class at peak efficiency. To bring you this authoritative volume, Bentley Publishers has teamed up with Stu Ritter, a 25-year independent Mercedes-Benz repair shop owner/technician and current technical editor of "The Star (the magazine of the Mercedes-Benz Club of America).

The Mercedes 126 S-Class of 1979-91 remains the most successful premium class saloon in the company's history and is considered by many to be one of the best cars in the world. More than quarter of a century after the last one left the factory, close to a quarter of all 126s remain registered throughout the world. This book will enable you to avoid the most common pitfalls and faults that otherwise can ruin the ownership of a 'Sonderklasse'. Packed with the sort of advice only normally obtainable from years of experience, it will act as your own personal marque expert. Specifications and valuations are included along with a detailed guide to buying the best car at the right price, and finally, how to keep your 126 fresh and reliable. This practical and instructional manual will be a valuable addition to the bookshelf of anyone owning, or aspiring to own, a 126, and is fully illustrated with 250 colour photographs.
