Governor Andrew M. Cuomo today updated New Yorkers on the state's progress during the ongoing COVID-19 pandemic. "Everything we have done from the start of this pandemic has been based on the facts, and the facts are that COVID cases, hospitalizations and deaths are all on the rise all across the country.

rates in the nation, if not the globe, and we now have the third lowest in the country. We cannot become complacent and risk going backwards," Governor Cuomo said. "We continue to closely monitor the data and handle micro-clusters as they happen, as well as watching what is happening around us as cases surge again across the country.
