Migration and security: Navigating the risks. 17 Feb 2015. "Control" and "security" have moved to being central concerns in political and media narratives about migration in the UK. This trend is exemplified by the fact that since February 2014 "immigration and security" has existed as a single ministerial portfolio "

Linkage between the two are inherently subjective concepts. They are dependent on who is defining the terms and who benefits by defining the terms in a given way. Although there has been considerable research on the subjects of migration and of security, few studies directly address the linkage between the two.
