This book does a much better and more thorough job of explaining grammar than the Practical Chinese Reader which is the standard Chinese instructional text it accompanies. Its also helped me translate some Chinese pop music lyrics, Google Translate is only so-so when it comes to Chinese sentence construction.

Old Japanese is usually defined as the language of the Nara period (710–794), when the capital was Heij -ky (now Nara). That is the period of the earliest connected texts in Japanese, the 112 songs included in the Kojiki (712). The other major literary sources of the period are the 128 songs included in the Nihon Shoki (720) and the Man'y sh (c. 759), a compilation of over 4,500 poems.
