Our morning calendar routine is super slick and easy using this digital calendar on our interactive whiteboard. Students are able to move the calendar dates into place and do the work themselves. There's a link to our good morning song on the first slide and we sing that each day. It's such a happy, positive way to begin our morning.

Morning Calendar Routine - Firstieland

Your morning routine sets the tone for the rest of the day. A strong classroom routine includes clear expectations, consistency, and procedures that your students know how to use. It is an important time for students to be independent. We practice and practice and practice the first month of school {and

review all year}.

Morning Routines - I Love 1st Grade

Doing a morning calendar routine is so much more than just talking about what day it is.

In a calendar routine, kids are learning:

Sequence: the order of the days and months.

Vocabulary: weather words, date words.

Ordinal numbers: first, second, third. Number

sense: counting on by one each day.

Easy Morning Calendar Routine - Busy Toddler

After we go through our calendar board, our youngest (first grade) works on his daily calendar notebook. It's just another way that we continue to work on various math, science, and handwriting concepts each day. From working on a monthly calendar, tallying the days in school, and graphing the weather, there's lots to work on.
