Vivid and immediate, My River Chronicles: Rediscovering The Work that Built America is a journey with an extraordinary guide—a mechanic's daughter and Stanford graduate who bridges blue-collar and white-collar worlds, turning a phrase as deftly as she does a wrench. As she searches for the meaning of work in America, DuLong shares her own experiences of learning to navigate a traditionally male world, masterfully interweaving unforgettable present-day characters with four centuries of ...

**My River Chronicles: Rediscovering the Work that Built ...**

Deeply original, riveting to read, and soul-bearingly honest, My River Chronicles is a surprisingly infectious romance about a young woman falling in love with a muscle-y old boat. As DuLong learns to navigate her way through a man's world of tools and engines, and across the swirling currents of a temperamental river, her book also becomes a love letter to a nation.

**My River Chronicles Rediscovering The Work That Built ...**

My River Chronicle – Rediscovering the America on the Hudson, is a fascinating voyage in the life of a young woman, who finds herself oddly quite at home in a most unlikely new job. It is also a journey through the history of America itself as it moves from an industrial past into an uncertain future.

**My River Chronicles: Rediscovering the Work that Built ...**

My River Chronicles is a journey with an extraordinary guide, a woman who bridges blue-collar and white-collar worlds and turns a phrase as deftly as she does a wrench. Soulful and illuminating, My River Chronicles is a deeply personal story of a unique woman's discovery of her own roots -- and America's -- as she runs the fireboat's diesels on the ever-changing river that flows both ways.

**My River Chronicles**

In 2001, journalist Jessica DuLong ditched her dot-com desk job for the diesel engines of a rusty antique fireboat, the John J. Harvey, and the storied waters of the Hudson. My River Chronicles: Rediscovering America on the Hudson tells the story of this mechanic's daughter and Stanford graduate who had left her blue-collar upbringing behind until the fireboat drew her back, offering a chance ...
