Online Library Nerdy Birdy

Nerdy Birdy celebrates diversity through personalities and interests, and touches on discrimination through physical appearances. Even birds can relay a strong message, but wrapped in the humor of Aaron Reynolds and Matt Davies, it comes across as a much lighter, acceptable topic for kids.

They were focusing on Nerdy Birdy, so I got to spend the day with one of my favorite books! We focused on discussing the setting of the story. This is a great book to start setting with because it doesn't change too much throughout the story. They do move from the trees to the power lines, but they stay outside for the majority of the time!
