Learning the New Ways skills now will allow for a positive future co-parenting relationship between you and the other parent, which is in the best interest of your children. This twelve session co-parenting course is designed to help you be the best parent you can be under the circumstances you are in. It can be helpful to any parent, but it specifically covers issues for parents going through a separation or divorce, and it will especially help you manage or avoid high-conflict issues.

New Ways 4 Families Online High Conflict Classes

The single parent can help family members face these difficulties by talking with each other about their feelings and working together to tackle problems. Support from friends, other family members and places of worship can help too. But if family members are still overwhelmed and having problems, it may be time to consult an expert or a licensed mental health professional.

Families: Single Parenting and Today's Family

The study highlights the unsurprising ways families spend time together: playing together, getting outside, volunteering, and creating together were among the most common practices mentioned by families in the study, with "unplugging from technology and distractions" layered in.
