The Rock Music Imagination explores creativity in classic rock, its roots in the blues, and its wide cultural impact. The romantic strains of rock imagination are examined in the songs of popular rock bands, the sixties counterculture, science fiction, the rock music novel, and rock's attention to human rights in the global community.

In the 1970s, white ethnics mobilized around a new version of the epic tale of plucky immigrants making their way in the New World through the sweat of their brow. Although this turn to ethnicity was for many an individual search for familial and psychological identity, *Roots Too* establishes a broader white social and political consensus arising in response to the political language of the Civil Rights movement.

(Piano Vocal). This sheet music features an
