One Starry Night. Sinners Extra. Michelle isn't sure why she decided to come to her high school reunion, but she's glad she did. There she reunites with the nice boy she should have dated in high school--millionaire Devlin McAllister--and the bad boy she wished she hadn't--Sinners' roadie Jake Tremaine. The problem lies in the fact that she's now attracted to both of men; she wants both of them, but how can she possibly choose between two gorgeous men both vying for her attention?
