Orthopaedics and Trauma is the ideal companion for trainees and focuses on reviewing specific topics from a scientific and clinical perspective. Each issue is themed as a collection of review articles around a specific part of the orthopaedic curriculum. Each issue also includes self-assessment questions, helping you accurately gauge your learning progress.

Home Page: Orthopaedics and Trauma

General advice for the FRCS Trauma & Orthopaedics. Preparation Revision is extremely personal and depends on how you work. If you have/will have a busy job or home life then start earlier.You will need to put life on hold for a minimum of 6 months. It will be pretty stressful and friends & family will be neglected, they should be warned in advance.
