This is Holmes' own "commentary" on his masterpiece, *The Science of Mind*. As such, it may be his most important book besides the textbook. These short pieces abound in counsel and guidance in metaphysics, spirituality, and healing. Here too is the history of New Thought and Religious Science; insights into the mystics; pointers on treatment; and analysis of our fears and insecurities. Founder of the worldwide Religious Science movement, formulator of the Science of Mind philosophy, and author of metaphysical bestsellers, Dr. Holmes continually sought to simplify his teaching and get people to "use" it. In these pages he speaks directly to you in a one-on-one tutorial.

Paradise Wild A well-born Boston beauty, Corinne Barrows has traveled halfway around the world in search of Jared Burkett -- a dashing rogue and a devil; a honey-tongued charmer who seduced and despoiled her. . .and then abandoned the impetuous lady after awakening a need that only he could satisfy. She has found him on the lush and lovely island of Hawaii. And now Corinne will have the revenge she craves: the total ruin of the blackguard who brought shame and scandal into her life. But Jared still possesses the power to excite her as no man has ever done--even as his own reckless heart is taken captive in their blistering war of wits and will--igniting a fire that could consume them both unless they surrender to it with wild abandon in the heat of the tropic night.

2021 Reprint of the 1954 U.S. Edition. Full facsimile of the original edition and not reproduced with Optical Recognition Software. This book is a companion to The New Man by the same author. Nicoll discusses, by way of the Gospels, the idea that real religion is about realizing the potential for spiritual change, latent but unborn, that exists in everyone. "The Mark" is the realization of this transformation. The author explains that in the Gospels the word translated as "sin" means in the literal Greek "missing the mark", as of a spear thrown at some object and failing to hit it. And from meaning to miss the mark it came to mean failing in one's purpose, and so erring or wrongdoing. It is Dr. Nicoll's contention that when a man is overpowered by outer life and influenced only by outside agency that person is machine-driven by his senses, but internally on the wrong road. Such a person is dominated by external life and has no spiritual life. That part of them which is truly real, and from which their own individual existence and growth can begin, is lost. It is in the wrong place. And this is sin. That is, in this sense, everyone has missed the mark, missed the idea of their own true existence.
