You will need a paper cutter and a ruler for edges. Start cutting out the gray areas. You always want to work from the inside out as the paper will be weakened. Use your finger to stabilize the paper and not allow it to break off. Once the design is cut, use the ruler to cut the sides of the card. Fold the result into a card. Use another paper within the card to create a background. You can write on it or design something on it as well. Enjoy your paper cut Christmas card & rest your fingers!
