Commentary: Through dialogue instead of force

The Midrash states that the commandment of Parah Adumah is the ultimate religious mystery, and its reasons are unknowable. The commandment outlines a purification ritual for those who come in contact ...

Politics and the Parah Adumah

Upon leaving the Constitutional Convention, Benjamin Franklin told his fellow citizens that it had produced "a Republic, if you can keep it." His answer contained a warning that still resonates.

Commentary: Let's replace cancel culture with a culture of honesty

After holding off her reported trip to China's Taiwan region for months, U.S. Speaker of the House Nancy Pelosi seems to be angling to tear down China-U.S. relationship again. Financial Times claimed ...

Pelosi needs to be stopped from provoking China's fierce responses

Patience worth waiting for

Another American holiday. Another mass shooting. This time in Highland Park, Illinois, where at least seven were killed. We seem destined to both celebrate and mourn these days.

Commentary: Maybe we need to see shocking images of gun violence

But although white conservative evangelicals often cite God and the Bible as being on their side in these conflicts, the author can't find scripture that supports this claim. He wonders, do ...

Commentary: Far-right evangelicals care more about winning culture wars more than soul saving

We reject all acts of violence, vandalism and theft. Spray painting church property and the recent tagging of campaign signs belonging to a candidate for the Jackson County Legislature with a hateful ...

Whether it's defacing a school or campaign sign, political vandalism isn't free speech

Another American holiday. Another mass shooting. This time in Highland Park, Illinois, where at least seven were killed. We seem destined to both celebrate and mourn these days.

Commentary: Images of gun violence could prod the public

To say that I have little regard for most of that coverage, including its representation of Africans and their stories, would be an understatement. In my introductory newsletter, I noted some of the ...

To Cover Africa, Start by Humanizing Africans
