Simulation in healthcare education has a long history, yet in many ways, we have been reinventing the wheel during the last 25 years. Historically, simulators

Online Library

Posiciones O

have been much more than simple models, and we can still learn from aspects of simulation used hundreds of years ago. This book gives a narrative history of the development of simulators from the early 1700s to the middle of the 20th century when simulation in healthcare appeared to all but die out. It is

Online Library

Posiciones O

organized around the development of simulation in different countries and includes at the end a guide to simulators in museums and private collections throughout the world. The aim is to increase understanding of simulation in the professional education of healthcare providers by exploring the

Online Library

Posiciones O

historical context of simulators that were developed in the past, what they looked like, how they were used, and examples of simulator use that led to significant harm and an erosion of standards.

The book is addressed to the healthcare simulation community and historians of medicine. The latter in

Online Library

Posiciones O

particular will appreciate the identification and use of historic sources written in Latin, German, Italian, French, Polish and Spanish as well as English.

to the shifting global paradigm of sexual awareness and acceptance.

Joseph Campbell, arguably the greatest mythologist of our time, was certainly one of our greatest storytellers.

This new cloth edition of *The Hero's Journey*,

Online Library

Posiciones O

published to celebrate the 100th anniversary of Campbell's birth, recounts his own quest and conveys the excitement of his lifelong exploration of our mythic traditions, what he called "the one great story of mankind."
