for Cello books in that it covers the fifth, sixth, and seventh positions. Position Pieces for Cello, Book 2 systematically introduces ways to find the correct location of each position and also to understand the various finger patterns required. As with Mr. Mooney's other books, this is accomplished in an enjoyable and creative manner through the use of cello duets.

The pieces in this book have been specially designed to help you find certain important notes (I call them 'targets') on the cello fingerboard. The notes that I think of as targets have the same names as the open strings. That way, I can always be sure I have hit the 'bull's eye' by testing the fingered notes with an open string. These pieces will also help you to learn how certain other notes ...

This e-book supplements Fourth Position for the Cello (CHP131) with very basic songs that shift to and from the fourth position. These pieces are a great way to put a beginning knowledge of fourth position into practice. Note: this is a PDF download of the book; not a print book. This book can be saved to your computer and printed.
