The main issue with 'Reckless' lies solely with the characters: Cornelia Funke plunges us right into the middle of the story, with no detail on the characters what-so-ever. Jacob, Will and Clara are possibly THE WORST leads in a novel I have ever read about. There is absolutely no chemistry between them.

This is a sequel from Funke's previous novel 'Reckless'. The story is just as vibrant and bursting with adventure and magic as it's prequel. Funke continues Jacob Reckless' story on, deeper into the mysterious and magical Mirrorworld, but with the additional threat of a dark curse ticking away towards Jacob's death.
