Royal Blood by Rhys Bowen is the 4th book in the Royal Spyness Mystery series. Lady Georgiana Runnoch travels to Romania to represent the Royals at a wedding, but when a guest is poisoned, she is once again investigating a murder. I loved the addition of Queenie and look forward to her progress in the next instalment.

Royal Blood (The Royal Spyness Series Book 4) – Kindle ...

How real is her royal spyness? I receive this question a lot, so I thought I better answer it now that the 12th book in the series, Four Funerals and a Wedding, is out. First, I have to confess that if you check the royal family tree, Lady Georgie doesn't exist. I've never actually mentioned which of Queen Victoria's daughters was her grandmother, but one daughter did marry a Scottish ...

The Truth Behind the Royal Spyness Mystery Series ...

Royal spyness – bathtub murder to solve. Georgie gets sacked from her sales girl behind the cosmetics counter job in just five hours. She makes some money by housekeeping. In between all this she falls in love for a royal who is a minor making the entire situation unsuitable and unfavorable.

Royal BloodA Royal Spyness Mystery: Amazon.co.uk: Books

Rhys Bowen should definitely stick with the "Royal Spyness" series. The year is 1932, the world still very much in the grip of the Great Depression, and even the blue bloods are feeling the pinch. Lady Georgiana, independent and stubborn and twenty-two, is still trying to survive on her own, the sole shivering resident of the sprawling Rannoch House in London.

Amazon.co.uk:Customer reviews: Royal Blood (Her Royal Spyness)

Royal Blood (The Royal Spyness Series Book 4) by Rhys Bowen is delightful. Lady Georgiana travels to Transylvania for a royal wedding at the request of the Queen. I absolutely love this series. There are so many crazy escapades, mysteries of who did what, and to whom, a little romance and murders.

Royal Blood (Royal Spyness Series #4) by Rhys Bowen ...

The Royal Spyness recurring characters include the perpetually penniless Georgie, her wonderful commoner granddad, her lazy but lovable and mouthy maid, her useless brother who inherited the family castle and fortune, her bitchy and self centered sister-in-law, her on and off commoner Irish boyfriend who likely works for a British intelligence agency, and her slutty best friend.
