the buying and selling of stocks, commodities, currency pairs, or other instruments. The goal is to generate returns that outperform...

## Investing vs. Trading: What's the Difference?

There are no guarantees when you invest in the stock market, and your money can go up as well as down in value. We can't tell you whether investing is right for you, but if you are going to do it, it's recommended you invest for at least five years. This is because the longer you invest for, the longer you have to ride out any bumps along the way.

## Investing for beginners: how to get started
