Strong curriculum content, perfect for study. The Macmillan Study Dictionary explains – clearly and accurately – the vocabulary you need for successful study in any of the key academic subjects. At every stage, experienced teachers, textbook writers and syllabus designers have contributed their expertise. Packed with curriculum words and a major encyclopaedic section, it is the complete reference source for those who study their subjects in English.

~~Macmillan Study Dictionary | Macmillan~~
Truthfully speaking,I'm not much good at studying because I'm not serious with my studies so my parents are.I'm in struggle to achieve good grades but the thing that distracts me is the noisy environment and the cellphone vibrating every minute.So,i use to select the corner of my home to get rid of noise pollution and I'm trying to figure out some strategy to avoid excess use of social media.
