1-Page Summary of Platform Revolution  
Overview. Platform Revolution is a book  
about how platforms have become the  
dominant market force in today's world,  
and how they are changing the way we do  
business. It also includes tips on founding  
and managing platforms. A platform  
connects two parties for the exchange of a  
product. Uber is an example of this.

Platform Revolution Book Summary, by  
Geoffrey G. Parker ...

The platform revolution is huge and  
growing. Traditional business practices are  
being overturned. Pipelines are the old  
style of business, wherein a company  
designs and makes a product or service  
and ultimately selling it to the customer.

Platform Revolution: Summary and  
Review - HowDo

The Platform Revolution Overview of  
Presentation. The key points from a  
presentation given by Marshall Van  
Alstyne, Pro- fessor of Information  
Economics and Everett Lord Scholar at the  
Ques- trom School of Business at Boston  
University, at a seminar hosted by Eden  
McCallum. “Platform ecosystems” –  
businesses which build online networks  
and allow them to grow and flourish  
beyond the narrow confines of the  
corporation – have inverted the very  
nature of the firm.

“Platform Revolution” New platform business models are disrupting traditional industries and have transformed “travel, transportation, media and communication” business models. Consider Airbnb, the room-rental service that offers affordable accommodations in homes, or Uber, the taxi alternative that facilitates buying a ride from someone driving his or her personal car.
