The Yonex VCORE Pro 97 remains a well-balanced tennis racquet that delivers across the board as an excellent option for all-court players who love to hang out on the baseline but also enjoy moving around the court and coming to net.

20+ Best Tennis Racquets 2020 | Intermediate & Advanced Guide

In my experience, the type of tennis string you have in will affect the comfort far more than the racquet stiffness, so it is never my most significant consideration but if you have, or are worried about arm problems then try to go for a less stiff racquet. A lower number rating indicates a more flexible racquet and the higher number a stiffer racquet with the vast majority carrying between a 55 and 75 RA rating.

Touch style players will love the pocketing effect of a lower tension, whereas a powerhouse player will most likely hate it and crave control. Think McEnroe and Roddick! John strung low and Andy strung high! Stringing your tennis racket at a low tension will also impart more spin to the ball, which is great news if you love to hit a heavy ball!

The Best Tennis String Tension Guide - Your Racket's ...

Dear tennisplayers, It's time to play tennis again! Note that this meetup is not meant for people who would like to learn how to play tennis and is meant for the more experienced tennis players. At the very least you should have at least 5 years of experience and play regularly.
