Returning from Paris to discover a murder victim in her driveway, Boston medical examiner Maura Isles is shocked to discover that the victim looks exactly like her and is a twin sister she never knew, a situation that prompts the doctor to investigate her true identity and come to terms with a convict biological mother. Reprint.

'Expect a white-knuckle ride to very dark places.' Paula Hawkins When a young woman is found dead, Detective Jane Rizzoli and Forensic Pathologist Maura Isles are called to the scene of the murder. Though the body bears startling wounds, the actual cause of death is not immediately clear. A few days later, another body is discovered - a seemingly unrelated crime, but the lack of an obvious cause of death shows they have more in common than it would first appear. As Rizzoli and Isles race to discover the link between the victims before the killer can strike again, a mysterious person watches from the sidelines. She has the answers they're looking for. But she knows she has to stay quiet, if she wants to stay alive. . . 'A fast-paced, dark, edgy mystery/thriller filled with unremitting suspense.' Huffington Post

Investigating the brutal murder of one nun and the critical injury of another within a cloistered convent, medical examiner Maura Isles and homicide detective Jane Rizzoli stumble upon long-buried secrets that link these horrific crimes.

Reproduction of the original: The Red Inn by Honore de Balzac

Dr. Catherine Cordell, recovering from a brutal attack and hiding her fear behind a mask of professionalism, is the only one that can stop a psychotic killer known as "The Surgeon," due to his horrific methods of murder, before he kills again. 100,000 first printing.

Body Double is a spine-tingling thriller from the bestselling author of the Rizzoli & Isles series.

A gripping standalone thriller by the New York Times bestselling author of the Rizzoli & Isles series INTERNATIONAL THRILLER WRITERS AWARD FINALIST • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LOS ANGELES TIMES AND SUSPENSE MAGAZINE In a shadowy antiques shop in Rome, violinist Julia Ansdell happens upon a curious piece of music—the Incendio waltz—and is immediately entranced by its unusual composition. Full of passion, torment, and chilling beauty, and seemingly unknown to the world, the waltz, its mournful minor key, its feverish arpeggios, appear to dance with a strange life of their own. Julia is determined to master the complex work and make its melody heard. Back home in Boston, from the moment Julia ' s bow moves across the strings, drawing the waltz ' s fiery notes into the air, something strange is stirred—and Julia ' s world comes under threat. The music has a terrifying and inexplicable effect on her young daughter, who seems violently transformed. Convinced that the hypnotic strains of Incendio are weaving a malevolent spell, Julia sets out to discover the man and the meaning behind the score. Her quest beckons Julia to the ancient city of Venice, where she uncovers a dark, decades-old secret involving a dangerously powerful family that will stop at nothing to keep Julia from bringing the truth to light. Praise for *Playing with Fire* " Compelling . . . I defy you to read the first chapter and not singe your fingers reading the rest. " —David Baldacci " One of the best and most original thrillers of the year. " —Providence Journal " [A] novel brimming with emotion, literary description, and psychological suspense. " —The Huffington Post " Will make readers drop everything to immerse themselves in its propulsive dual narrative. " —Los Angeles Times

On Christmas Eve, Boston Medical Examiner Maura Isles is summoned to the scene of a brutal killing and teams up with Detective Jane Rizzoli to investigate the victim's ties to Joyce O'Donnell, a cantankerous psychologist, and to a sinister cabal called the Mephisto Club, a group devoted to a study of evil in all its malevolent forms. 225,000 first printing.

NATIONAL BESTSELLER • Rizzoli & Isles are back! From New York Times bestselling author Tess Gerritsen, this " shocking and fast-paced " (Karin Slaughter) thriller has Jane and Maura investigating a brutal murder with dire implications, and this time, with Jane ' s intrepid mother, Angela, looking into a mystery of her own. " An utter pleasure to keep readerly company with. " —The New York Times Mothers know best . . . But who will listen? Boston homicide detective Jane Rizzoli and medical examiner Maura Isles are newly plagued by what seems like a completely senseless murder. Sofia Suarez, a widow and nurse who was universally liked by her neighbors, lies bludgeoned to death in her own home. But anything can happen behind closed doors, and Sofia seemed to have plenty of secrets in her last days, making covert phone calls to traceless burner phones. When Jane finally makes a connection between Sofia and the victim of a hit-and-run from months earlier, the case only grows more blurry. What exactly was Sofia involved in? One thing is clear: The killer will do anything it takes to keep their secret safe. Meanwhile, Angela Rizzoli hasn ' t had a decent night ' s sleep in all the years since her daughter became a homicide detective. Maybe the apple didn ' t fall too far from the tree: Nothing in Angela ' s neighborhood gets by her—not the gossip about a runaway teenager down the block and definitely not the strange neighbors who have just moved in across the street. Angela ' s sure there ' s no such thing as coincidence in her sleepy suburb. If only Jane would listen—instead she writes off Angela ' s concerns as the result of an overactive imagination. But Angela ' s convinced there ' s a real wolf in her vicinity, and her cries might now fall on deaf ears. With so much happening on the Sofia case, Jane and Maura already struggle to see the forest for the trees, but will they lose sight of something sinister happening much closer to home?
