I guzzled Art of Community like a sailor during fleet week. I love Charle's stories about how he found community and his step by step process of designing a community. I download his free worksheets from his webpage and worked through them all to design a campus club and it was well worth the effort.

The Art of Community helps you recruit members, motivate them, and manage them as active participants. This expanded edition shows you how to keep community projects on track, make use of social media, and organize collaborative events. You'll also benefit from interviews with several community management leaders.

The Art of Community, Second Edition [Book]

Carla Bristol left corporate America in 2014 to do what she always wanted to be doing – live a life steeped in community. Her gallery is filled with African, Black and Caribbean art; she is the founder of the Black Arts and Film Festival and a collaboration manager at the St. Pete Urban Youth Farm. Even her line of textile art is called “ Jamii ” – or “ community ” in Swahili.

The Art of Community - Intergroup Resources

Community art, also sometimes known as "dialogical art", "community-engaged art", or "community-based art", refers to the practice of art based in and generated in a community setting. Works in this form can be of any media and are characterized by interaction or dialogue with the community. Professional artists may collaborate with communities which may not normally engage in the arts. The term was defined in the late 1960s as the practice grew in the United States, Canada, the Netherlands, the
