Here's the ultimate artbook companion to the Arkham games and it's well worth the wait. This hardcover book comes in at 304 pages. It's big and heavy. The book covers all the three Arkham games namely Arkham Asylum, Arkham City, and Arkham Knight. When I first played Arkham Asylum, I was taken in by the details of the design of the environment and the overall mood.

Amazon.com: The Art of Rocksteady s Batman: Arkham Asylum ...

Rocksteady's wonderful aesthetic of rethinking the classic looks of heroes and villain via hyperrealistic stylized character design brought something classic but fresh to the comic standards. It's this accuracy and exaggeration that most reminds me of Burton's milestone re-envisioning of the late 80's and I think the Arkhamverse will have equall impact on pop culture and comics.
