But copying nature helps. Green technologies for the future: biomimetics in architecture | Barbara Widera | TEDxWSB Using Biomimicry in Design: A Case Study The Biomimetic Office Building Exploration Can a building behave like ... most commonly touted examples of biomimetic architecture is featured here too: the Eastgate Centre in Harare, Zimbabwe, an office-retail complex with 48 brick ...

Architects Are Copying Nature to Make Low-Carbon Buildings

His practice, Exploration Architecture ... Models of some of his more recent designs -- including the Biomimetic Office, a speculative design that took cues from a spook fish, and a table inspired by ...

Regenerative design: meet the creatives taking a rooting interest in learning from nature

If you're thinking of building some DIY home automation ... IR HA system for \$30 ... This might be just the thing for my office. It's cheap enough that it probably wouldn't walk off.

IR Controlled Relays

To illustrate his position, Mikael analyzed the amount of space allocated to each of these groups, in addition to "dead space" and space for buildings ... without further exploration in terms ...

Architecture News

In his extensive writeup, he shares scripts he used on his exploration journey, so that any sufficiently motivated hacker can follow in his footsteps, and we highly recommend you take a look at ...

electric scooter

Approval rate amounted to 50% in the same time span. For further information on projects, please contact the Grants Office.

Supported projects

She has won more than £4 million of grant funding in these areas from a number of government funding bodies, such as EPSRC, Innovate-UK, DERA, The Home Office and Schlumberger ... are a simple elegant ...

Leicester Institute for Pharmaceutical Innovation collaborations and projects

His practice, Exploration Architecture ... Models of some of his more recent designs -- including the Biomimetic Office, a speculative design that took cues from a spook fish, and a table inspired by ...
