Books

The story takes place in the 19th century.

Thorwald begins by talking about three different types of surgery done before the discovery of anesthesia.

Developments covered in the

Access Free The Century Of

The book include
anesthesia and
painless
surgery, sepsis
and aseptic
technique, and
ends with the
first successful
heart surgery.

Jurgen Thorwald
Daily

This well-
documented work
on surgical
history should
have as much
appeal for the
interested lay
reader as for
the surgeon. By
making the
narrator an
actual eye-

Access Free The Century Of

witness of
nearly all of
the more
significant
events that
marked surgical
progress in the
19th century,
the author has
given his
narrative much
of the interest
and excitement
of a good novel.
