**Litigator** This book examines the moral consciousness of the litigator, the quintessential modern lawyer. The primary skill of the litigator is the fundamental skill of all lawyers, making legal arguments, and the litigator's work extends to every corner of society. The term litigator identifies a type of lawyer. The term is descriptive and shorthand.

*The Consciousness of the  
Litigator by Duffy Graham /  
WHSmith*

In *The Consciousness of the Litigator*, Duffy Graham concludes that litigators rationalize their morals to advance their fee-paying clients' positions. In the eyes of society, litigators become hired guns--immoral professionals who act in response to payment and think solely to advance and see "right and wrong as a function of," their clients' interests (7-8).
