In The Destructors by Graham Greene we have the theme of control, pride, power, acceptance, change, jealousy and insecurity. Set in the 1950s the story is narrated in the third person by an unnamed narrator and after reading the story the reader realises that Greene may be exploring the theme of control. When Blackie loses leadership of the gang and Trevor or T. replaces him the reader senses that T. has longed for the opportunity to become leader of the gang.

Class and a Changing World. "The Destructors" is set in London, England in the early 1950s. World War II has ended less than a decade earlier, and the city and country are slowly emerging from the destruction of the war. England is not emerging unscathed or unchanged, however. The country is scarred by the deaths of hundreds of thousands of its soldiers and the destruction incurred during the unprecedented German bombing campaign on British cities.

Usually, the protagonist of a story or novel is the person we sympathize with - the traditional "goody" - and the antagonist is the person we don't like very much - the obvious "baddy". In "The Destroyers" the familiar is turned upside down. Trevor, the protagonist, destroys the home and life savings of an innocent man for no particular purpose.
