A woman who is employed in a household to train the children and to teach them is identified as a governess. The role of a governess is a bit different from a nanny or a babysitter for the matter. The governesses' main concern is teaching the kids of the household and providing them with certain training.

Governess during Victorian Era: Their duties & role

The governess was one of the most familiar figures in mid-Victorian life and literature. The 1851 Census revealed that 25,000 women earned their living teaching and caring for other women's children. Most governesses lived with their employers and were paid a small salary on top of their board and lodging.

The figure of the governess - The British Library

Employing a governess meant that the family could afford her and signified the status and power of the family. Victorian governess. The presence of a governess in the house to teach the children freed the lady of the house from her having to teach her children and gave her more time for philanthropy.

Governess: Role of Victorian Governess. Types of Victorian ...

A Victorian governess had a better status in the family home than a servant in the household, but her status was mixed. She was not really accepted by the servants and also not really accepted by the family.

Get Free The Governess Position A Victorian Romance

The governess provides a key to the central Victorian concept of the lady. Her education consisted of a series of accomplishments designed to attract a husband able to keep her in the style to...

Victorian Governess - Kathryn Hughes - Google Books

The governess debate focused on terms of employment, salaries, and on the socially intermediate position of the governess. In the novels, this intermediate position functions both as a device of bringing the governess's plight in focus, and to furnish the writer with a framework for female development.

The Victorian Governess Novel

The psychological situation of the governess made her position unenviable. Her presence created practical difficulties within the Victorian home because she was neither a servant nor a member of the family. She was from the social level of the family, but the fact that she was paid a salary put her at the economic level of the servants.

The Times , Jane Eyre , and the Governess - Victorian Web

The governess of 19th-century England, as personified by Jane Eyre, was a feminist prototype at a time when women were still enslaved by their roles within a patriarchal society.

The profession of the governess in 19th-century England as ...

this informative and lucid study takes as its starting point the abundance of literary representations of governesses during the victorian era, and goes beyond that to draw on real-life accounts of educating children (mostly middle-class and upper-class girls) in their own homes, and how governesses struggled with their indeterminate position in the social hierarchy. neither "low enough" to establish close ties with the rest of the servants, maids and footmen in the household nor on par with ...

The Victorian Governess by Kathryn Hughes

In the United Kingdom The governess occupied a uniquely awkward position in the Victorian household, because she was neither a servant nor yet a member of the host family. She worked in the upper-class home of the landed gentry or aristocracy. She herself had a middle-class background and education, yet was paid for her services.

Get Free The Governess Position A Victorian Romance

A governess occupied a unique position in a Victorian household. She was neither servant, nor family member. She existed in a sort of in-between world which often left her feeling isolated and alone. To combat this, the young governess was advised to cultivate a tolerance for solitude.

The Vulnerable Victorian Governess - Blogger

Agnes Grey, A Novel is the debut novel of English author Anne Brontë (writing under the pen name of "Acton Bell"), first published in December 1847, and republished in a second edition in 1850. The novel follows Agnes Grey, a governess, as she works within families of the English gentry. Scholarship and comments by Anne's sister Charlotte Brontë suggest the novel is largely based on Anne ...

Agnes Grey - Wikipedia

The figure of the governess . From Jane Eyre to Vanity Fair, the governess is a familiar figure in Victorian literature. She is also a strange one: not part of the family, yet not quite an ordinary servant. Kathryn Hughes focuses on the role and status of the governess in 19th century society.

Jane Eyre: The role of women - The British Library

As Victorian women's legal and social standing was expected to be one of passive presence as opposed to one of active participation, all three chapters will examine how these protagonists use their position of governess to put their 'hostility [into] action' against patriarchy.

The Ungovernable Governess: The Figure of the Governess in ...

Historical View of the Victorian Governess Although the governess serves as the heroine in Jane Eyre, she was not a popular figure in Victorian England. The governess did not have a social position worthy of attention (Peterson 4). Aristocratic and middle-class Victorians were not even sure how to treat the governess. She was from the same class, but her lack of financial stability made them view her as their inferior. Perhaps the clearest definition of the governess was stated by Lady Elizabeth
