the right of the Ankh is the Eye of Heru, known as the "Divine Food Offering" or Kemetic Eucharist. This is food for the soul because it requires spiritual enlightenment. All together, these symbolize that life (Ankh) and health result when these three aspects of the constitution of a human being are fed the proper nourishment. They constitute a full meal for every hu-man being, food for the body, food for the mind and food for the soul. The Kemetic Diet. 3/524

Several types of meats were eaten, including pork in some regions. Cattle beef was commonly eaten by the rich, along with sheep or goat, while the poor often ate geese, ducks, and other fowl. Even when the other regions were affected by famines, the people of Egypt were secured because the Nile was there to feed the people.

Vegetables were eaten as a complement to the ubiquitous beer and bread; the most common were long-shooted green scallions and garlic but both also had medical uses. There was also lettuce, celery (eaten raw or used to flavor stews), certain types of cucumber and, perhaps, some types of Old World gourds and even melons.
