The Law of Arms Control and the International Non-proliferation Regime Preventing the Spread of Nuclear Weapons Series: Nova et Vetera Iuris Gentium, Volume: 29; Author: Tom Coppen. Nuclear proliferation poses a serious threat to international peace and security. The non-proliferation regime is the body of public international law that aims to ...

The Law of Arms Control and the International Non ...

According to a recent definition by Den Dekker, the concept can be broadly described as ‘ unilateral measures, bilateral and multilateral agreements as well as informal regimes (‘ politically binding ’ documents, ‘ soft ’ law) between States to limit or reduce certain categories of weapons or military operations in order to achieve stable military balances and thus diminish tensions and the possibility of large-scale armed conflict ’ .

Oxford Public International Law: Arms Control

Arms control refers to treaties made between potential adversaries that reduce the likelihood and scope of war, usually imposing limitations on military capability. Although disarmament always involves the reduction of military forces or weapons, arms control does not.

Arms Control and Disarmament legal definition of Arms ...

Arms Control Law (2012) INTL KZ5624 .A748 2012 This is a collection of articles and academic essays on the international laws regarding weapons proliferation. The collection is broken into four parts: nonproliferation; nuclear weapons; chemical and biological weapons; missiles; and UN Security Council and nonproliferation law.

Introduction - International Arms Control Research Guide ...

Arms control and disarmament. The UN ’ s founders hoped that the maintenance of international peace and security would lead to the control and eventual reduction of weapons. Therefore the Charter empowers the General Assembly to consider principles for arms control and disarmament and to make recommendations to member states and the Security Council. The Charter also gives the Security Council the responsibility to formulate plans for arms control and disarmament.
