Shockley has published four volumes of poetry since 2001 and is currently teaching African American Literature and Creative Writing at Rutgers University. Her third book, the new black, is passionate, political, and provocative. Just as the reader feels any sense of settling into a groove regarding content or structure, the next poem surprises.

the new black, published in 2011 was lauded by poet Le Hinton and he also said Shockley was the  
"present and future of poetry." In this book her poetry draws connections within our culture, for instance  
a poem that cites statistics and black lives through poetry. In 2017 Shockley released her book of poetry,  
semiautomatic.
