Lilly the Penguin Checks Out Books at the LibraryBIGGEST Salamander in Japan! Penguins for Kids: Interesting Facts - Different Types of Penguins for Children The Rarest Penguin And The Yellow-eyed Penguin is one of the rarest penguin species in the world. It is found north of the Antarctic Ocean, along the coast of Southern New Zealand (Ellenberg, Mattern and Seddon, 2009). As the name suggests, the penguin is easily identifiable by the yellow colour around its eyes, along with a brightly coloured yellowish line that runs from its eyes round the back of the head.
