Read an Excerpt. Introduction The Sixties resound in our historical memory as do few other eras. It was a time when events went into overdrive, and the postwar social trajectory was deflected off line. Life blueprints were rejected; people struck out on new courses. The air resounded with harsh voices demanding, raging, denouncing, promising ...

The Sixties by Robert Altman - Goodreads

The 1960s (pronounced "nineteen-sixties", shortened to "the '60s" or "the Sixties") was a decade of the Gregorian calendar that began on January 1, 1960, and ended on December 31, 1969. The "cultural decade" of the 1960s is more loosely-defined than the actual decade, beginning around 1963–1964 with the John F. Kennedy assassination and the Beatles' arrival in the United States, and ending ...
