\"The Transformation of Chinese Socialism is a visionary and critical reorientation for social theory. It is a great reminder of what the stakes are just now and why socialism, far from being defunct, has as much to offer governance theories and policy planners as it always has.\"-Tani E. Barlow, author of *The Question of Women in Chinese Feminism*

\"The Transformation of Chinese Socialism, certainly the most intellectually stimulating book written on the reform era, is an eloquent plea to create a democratic 'socialist market system' that combines the more egalitarian and democratic features of traditional China, the modern Chinese revolutionary experience, and the innovations of the reform period. . . . In making historically plausible the vision of a 'socialist market system,' Lin Chun challenges the assumption that only a . . .

The theoretical system of socialism with Chinese characteristics is a broad term for political theories and policies that are seen by their proponents as representing Marxism-Leninism adapted to Chinese circumstances and specific time periods. For instance, in this view Xi Jinping Thought is considered to represent Marxist-Leninist policies suited for China's present condition while Deng Xiaoping Theory was considered relevant for the period when it was formulated. The term entered . . .
