The Trotula: An English Translation of the Medieval The Trotula: An English Translation of the Medieval Compendium of Women's Medicine. The Trotula was the most influential compendium of women's medicine in medieval Europe. Scholarly debate has long focused on the traditional attribution of the work to the mysterious Trotula, said to have been the first female professor of medicine in eleventh- or twelfth-century Salerno, just south of Naples, then the leading center of medical learning in Europe.

The Trotula: An English Translation of the Medieval Download The Trotula: An English Translation of the Medieval Compendium of Women's Medicine pdf books Scholarly debate has long focused on the traditional attribution of the work to the mysterious Trotula, said to have been the first female professor of medicine in eleventh- or twelfth-century Salerno, just south of Naples, then the leading center of medical learning in Europe. Yet as Monica H. Green reveals in her introduction to the first English translation ever based upon a medieval form ...

Download Kindle: The Trotula: An English Translation of Trotula is a name referring to a group of three texts on women's medicine that were composed in the southern Italian port town of Salerno in the 12th century. The name derives from a historic female figure, Trota of Salerno, a physician and medical writer who was associated with one of the three texts. However, "Trotula" came to be understood as a real person in the Middle Ages and because the so-called Trotula texts circulated widely throughout medieval Europe, from Spain to Poland, and Sicily

Trotula - Wikipedia thirteenth-century English manuscript 2 Figures and . Fumigation pots and pessaries from a fifteenth-century Dutch translation of the Trotula 2 Figure . A charm from a fifteenth-century medical amulet Figure . A private bath for a woman; from a late twelfth-century

The Trotula | Monica H. Green Yet as Monica H. Green reveals in her introduction to this first edition of the Latin text since the sixteenth century, and the first English translation of the book ever based upon a medieval form of the text, the Trotula is not a single treatise but an ensemble of three independent works, each by a different author. To varying degrees, these three works reflect the synthesis of indigenous practices of southern Italians with the new theories, practices, and medicinal substances coming out ...
