Interestingly,
while the stated

Get Free Tubing And Pipe Emj

Metals
and measured
OD's of tubing
are almost exact
most of the
time, copper
tubing generally
has a measured
OD that is 1/8"
larger than
stated OD. As
such, maybe it
should be called
copper pipe.

However,

Get Free Tubing And Pipe Emj

Metals
stainless steel,
aluminum, and
steel tubing all
have measured
and stated OD's
that are exact
or very close.
Pipe
