Twentieth Century Europe: Politics, Society and Culture

History of Europe - History of Europe - Early 19th-century social and political thought: The Romantics who studied society through the novel or discoursed about it in essays and pamphlets were no less devoted to this (cause of humanity) but they arrived at politically different conclusions from Goethe's and from one another's. Scott and Disraeli were forerunners of Tory democracy as ...

History of Europe—Early 19th-century social and—

European society and culture since 1914 ¶ If it works, it's obsolete. ¶ First reported in or about 1950, the saying neatly expressed that period's sense of the headlong speed at which technology was changing. But equally rapid change is the hallmark of many aspects of life since 1914, and nowhere has it been more apparent than in Europe.

History of Europe—European society and culture since—

The twentieth century, by satisfying much of the social and political hunger of the Victorian period, did indeed witness a striking improvement in the material condition of the majority of the peoples of Western Europe, due in large measure to the energetic social legislation which transformed the social order.

Political Ideas in the Twentieth Century—Foreign Affairs

In a ceaseless participatory process, each polity assembles, adjusts, fabricates and constructs itself as society. Sequencing the ages, Eric Hobsbawm distinguishes the age of revolution (1789-1848 ...

Twentieth Century Europe Politics Society And Culture (EBOOK)

After the loss of almost all her overseas empire in 1898, Spain faced the new century handicapped by her international isolation, backward economy and a stagnant and elitist political system. Twentieth-Century Spain tells the gripping story of this country's long and often painful struggle towards modernity. During this period, Spain has seen two monarchies, one republic, two dictatorships and one of the bloodiest civil wars in Europe's recent history.

Twentieth century Spain: Politics and Society in Spain

The Conservatives ¶ at the time called "Unionists" ¶ was the dominant political party from the 1890s until 1906.The party had many strengths, appealing to voters supportive of imperialism, tariffs, the Church of England, a powerful Royal Navy, and traditional hierchical society.There was a powerful leadership base in the landed aristocracy and landed gentry in rural England, plus strong ...

Edwardian era—Wikipedia

Description. This last century of European history is situated between a violent and authoritarian past and the dawn of a more democratic and peaceful period—an era that may represent the future. Written in a vivid and accessible style, A History of Europe in the Twentieth Century examines the continent's descent into the turmoil of two world wars, the tense cold war standoff between the victors, and finally the beginning of a more tranquil and egalitarian age.

Twentieth Century France: Politics And Society, 1898-1991

Secularism has a broad range of meaning. While its definition as the separation of religion from civic affairs and the state is the most common, it may connote anticlericalism, atheism, naturalism, banishment of religious symbols from the public sphere and much more.. As a philosophy, secularism seeks to interpret life on principles taken solely from the material world, without recourse to ...
