Twitter User Guide Manual

What is Twitter? Twitter is the place to find out about what's happening in the world right now. Whether you're interested in music, sports, politics, news, celebrities, or everyday moments—come to Twitter to see and join in on what's happening now.

---

Getting started - Twitter

1. Choose the right Twitter handle. The first step in getting started on Twitter is creating your account. When creating your account, it ' s important to remember that your username—or as it ' s called on Twitter: your “ handle, ” is outward facing and will be what the public uses to identify your business.

## How to Use Twitter (with Pictures) - wikiHow

Many Twitter users (including me) will not follow users without photos, because it is a tell-tale sign of a spammer. Remember that the maximum upload size of your photo is 700k, so you may have to re-size your image to meet this requirement. Enter the rest of your information, including your location, website or blog (if any), and a brief bio.
