Uncommon Genius

Its purpose "is to promote those leaps of creative thinking that may occur when gifted people are left to their own devices." For Uncommon Genius, Shekerjian interviewed forty MacArthur Prize winners--John Sayles, Peter Sellars, Ellen Stewart, and Derek Walcott among them--in an attempt to discover "how great ideas are born." While much of what she learns about the creative impulse is not exactly groundbreaking--it involves risk-taking, openness, concentration, resiliency, and a great love ...
