The climate apocalypse may prompt us to live life in a way it should have been in an ecologically and deeply connected world of inter-being.

~~There 's no escaping a hothouse earth~~

But who wasn ' t optimistic at the time despite the depressions, freak-outs, suicides and the all-pervading sense that the audacious edge of the late 60s rebellions was being whittled away. The ...

~~Reflections on "The Lump" by Dave Lamb~~

The poems, twelve in number, are neither in rhyme nor blank verse, but in a sort of excited prose broken into lines without any attempt at measure or regularity, and, as many readers will perhaps ...
